

A LEVEL PHOTOGRAPHY

Areas of Study...

Students work through a wide variety of photography skills, both new and traditional. Dark room techniques, lighting effects and photo shop will all be covered in the first term along with a guided tour of the camera and techniques.

Students will be expected to respond to the work of artists and photographers showing independence and developing their own strengths in the medium.

A2 Unit 1 Personal Investigation

A2 Unit 2 Externally set assignment

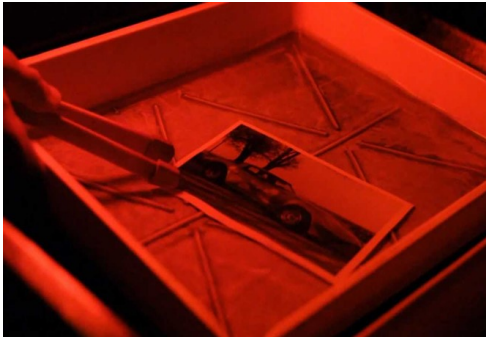

Future Careers

Photographer, Photo journalist, Advertising, Illustration, Fashion, Crime scene investigation, Retoucher, Journalist, Creative Director, Graphic Designer.

Assessment

All A Level work is marked and assessed in school before being moderated by AQA:
